

At my door the leaves are falling  
A cold wild wind has come  
Sweethearts walk by together  
And I still miss someone

I go out on a party  
And look for a little fun  
But I find a darkened corner  
because I still miss someone

Oh, no I never got over those blues eyes  
I see them every where  
I miss those arms that held me  
When all the love was there

First stanza:

folia in fore concidit

ventus frigidus et delirus aduenit

feminae pariter ambulant

et aliquem etiam nunc requiro

Second stanza:

ad conuiuium aduenit

et deliciam paulam quaero

sed obscurum angulum inuenio

cur ad hoc aliquem requiro

Third stanza:

O, numquam caelōs oculos desuesco

eōs undique uideō

bracchia quī mē complexa sunt requīro

Cum tōtus amor consistit

I wonder if she's sorry  
For leavin' what we'd begun  
There's someone for me somewhere  
And I still miss someone
